

The Coffee Blossom

Rotary
Club of Kona

At the Podium – Rebecca Villegas – County Council Member – District 7

August 22, 2024

Born and raised on the Big Island, Rebecca Shute Villegas is a graduate of Konawaena High School. She holds a Bachelors in Business Management from the University of Hawaii at Manoa, a certificate of completion from Ulumau, A Hawaii Island Leadership Series, and a certificate of completion from UC Berkely's Extension Course on Circular Economy.

Ms. Villegas has a long history of working for and with Hawaii's non-profit and for profit organizations. During her 14 years with the Kona Brewing Company she championed their Hawaii Brand Marketing Strategies, Sustainability Initiatives, Event Sponsorships and Community Partnership Programs. As President of the Kohanaiki Ohana, she worked with a team of community advocates, government agencies, and the developer, to create Kohanaiki Beach Park and perpetuate the Keiki Surf for the Earth & Beach Clean Up held annually for 25 years.

With a lifelong passion for the environment, she helped found and Chaired the County's first Climate Resilience and Natural Resource Management Committee. She successfully passed legislation which prohibits the use of herbicides that contain glyphosate in our County Parks and Recreation Facilities. Her most recent legislative accomplishment, cosponsored with Council Member Holeka Inaba from District 8, prohibits the sale of non-mineral sunscreens in the County of Hawaii.

Ms. Villegas will continue listening, learning and supporting District 7 and her island home as we navigate the path to a new normal.

Just Last Week – Kehau Keanaaina – Daughters of Hawaii – Hulihe'e Palace

The Daughters of Hawai'i was founded in 1903 by seven progressive women ahead of their time. Born in Hawai'i, they were citizens of the Hawaiian Kingdom before annexation and foresaw the inevitable loss of much of the Hawaiian culture. They founded the society "to perpetuate the memory and spirit of old Hawai'i and of historic facts, and to preserve the nomenclature and correct pronunciation of the Hawaiian language." Since the early 1900s it has been distinguished for preserving Hānaiakamalama in Nu'uano,

commonly known as the Queen Emma Summer Palace, and Hulihe'e Palace in Kailua-Kona, restoring them with original royal furnishings and regalia. The Daughters continue to preserve and maintain two of Hawai'i's three royal palaces, as well as the birth site of King Kamehameha III at Keauhou Bay in Kailua-Kona.

Rotary Prayer

Almighty God, bind us together in the true spirit of Rotary, keeping our hearts pure, our lives clean, our spirits humble and our thinking straight. Amen.

President's Position Stephanie Urchick Rotary International

July 2024

Rotary is at its best when we foster a sense of inclusion and belonging in our clubs. In fact, I would go so far as to say that belonging is The Magic of Rotary itself.

With a focus on inclusivity and belonging, it is easier to be united in a common purpose. When we are committed to one another and focused on our goals, we are most effective.

Rotary's Action Plan can help. The Action Plan comes with tools you can use to collect feedback, assess your club's strengths and weaknesses, and address challenges.

The world is changing, and our clubs can't afford to stand still. But the changes we make need to be consistent and strategic — building on one another toward a greater vision. The Action Plan can help you work toward that vision and create effective change within your club. Following the Action Plan and addressing suggestions from the community will go a long way to fostering the sense of belonging we want all Rotary members to feel in their clubs.

That's why expanding our commitment to diversity, equity, and inclusion is so important. Committing ourselves to each other's well-being is the first step to expanding our reach, allowing us to spread Positive Peace in these troubled times.

Peacebuilding is one of our top priorities, and one of the most effective ways we can build peace is with our Rotary Peace Fellowships, through which peace and development professionals learn how to prevent and end conflict.

We offer the fellowships through our Rotary Peace Centers at leading universities around the globe, where more than 1,800 Rotary Peace Fellows have graduated. And thanks to a \$15.5 million gift from the Otto and Fran Walter Foundation, we can continue supporting peacebuilders in more regions with the next peace center at Bahçeşehir University in Istanbul.

Opening another peace center is a monumental achievement, and it is my great honor to invite you to celebrate at next year's Rotary Presidential Peace Conference at the Istanbul center. The three-day conference 20-22 February will highlight the many ways our family of Rotary advances peacebuilding. Registration for the conference is officially open. I hope to see you there.

The 2025 Rotary Presidential Peace Conference has great potential for our peacebuilding efforts — but only if we have your support.

The truth is, we're not going to bring peace to the world, end polio, or grow membership by waving a wand and saying some funny words. It's up to you. You create the magic with every project completed, every dollar donated, and every new member inducted.

I love my Rotary family and I know you do too. That's why I know that together, we can make every club and district simply irresistible. This year, let us change the world by embracing The Magic of Rotary.

Notes: RSVP Not Required

Coming Up – Pickleball Introduction and Fun

Date: August 22

Time: 9:00AM

Place: Royal Kona Tennis Courts
Street Side Court

Bring: Water, sunscreen, Positive Attitude

Attire: Athletic Gear, Tennis Shoes

Notes: Get introduced to the fastest growing sport in the US

Just for Fun – R. Farnham

Do These Jeans Make Me Look Fat?

If you're a guy and your wife ever asks the question, before heading out for a fun-filled evening, "Do these jeans make me look fat?" DO NOT ANSWER!

Obviously saying yes is disastrous. It will, most likely, result in not going out, not being spoken to, and not sleeping in your own bed.

You may think that if you say "no, of course not dear," everything will be fine. IT WON'T! She will assume you are lying to her, and be hurt and angry that you would let her go out in such unflattering pants. It will, most likely, result in not going out, not being spoken to, and not sleeping in your own bed.

But what if she actually doesn't look fat in those jeans, you ask. Believe me, she wouldn't have asked if she wasn't worried, and if she is worried, there is usually a reason. Justified or not, she thinks her butt is as big as a barn.

Perhaps you don't care how big her butt is, because you love her unconditionally. It doesn't matter, she's thinking barn and your opinion isn't going to change that.

So NOT ANSWERING is the only choice. Of course, it won't change anything. You will still, most likely, not go out, not be spoken to, and not sleep in your own bed.

So basically, if you hear the question, "Do these jeans make me look fat?" DO NOT ANSWER!

Just look confused, then concerned, and say, "I think I forgot to take out the trash. I'll do that right now."

ROTARY CLUB OF KONA

Jay Antonio Returns from Brazil

August 22, 2002

Jay Antonio, last year's out-bound exchange student to Brazil, will join us for lunch and tell us about her adventures in South America.

She'll describe the challenges of learning to speak Portuguese, living in a new

culture, and being so far from Hawaii. We know of some of her adventures from her email reports. Now we will have to opportunity to hear about the adventures of this brave young lady in person.

Highway Cleanup with Interact Club

Saturday, September 24, 2002

The Highway Clean-up is set for **Saturday, August 24th at Kealakehe Parkway**

from Queen Kaahumanu Highway up to Kealakehe High School.

We will meet at the Kealakehe High School Administration Office at

8:00 AM Saturday morning. Participants please be sure to wear a cap or hat, sunscreen, grubby clothes, sturdy shoes and work gloves.

We will start at 8:00 AM and should be finished at around 10:00 AM. Refreshments will follow. Please sign up at the next Rotary luncheon meeting.

Mauna Kea Astronomy Education Center

George Jacob, Project Director

George Jacob is the Project Director of the \$28 million Mauna Kea Astronomy Education Center being planned at the University of Hawaii in Hilo. Mr. Jacob was educated at the University of Toronto and the Birla Institute of Technology & Science with degrees in Physics, Museum Studies and Industrial Design. He has over 16 years of museum planning and design experience, having worked on assignment in 11 countries.

He trained at the Smithsonian Institution and has held many senior positions including the Directorship of a Planetarium and Science museum complex and most recently as the Vice President of Exhibits and Design at the Oregon Museum of Science and Industry. He has served on the Board of Commonwealth Association of Museums, UNESCO affiliate, under the aegis of the Commonwealth Foundation in London, UK and is one the leading

museum professionals of our times.

The final campus plan will of course depend on the conceptual plan which is still under development. In general terms, however, it is very likely to include a planetarium, theater, exhibits, class rooms, offices, a restaurant and gift shop. The artist's rendering below suggests a possible plan.

Four-Way Test

Of The Things We Think, Say, Or Do:

Is it the TRUTH? Is it FAIR to all concerned? Will it build GOOD WILL and BETTER FRIENDSHIP? Will it be BENEFICIAL to all concerned?
